Step by step Guide on How to Send SMS for HSC Online Admission 2012

If someone is eligible for more than one quota, then need to write both quota separated by ',' (comma). And if applicant is not eligible for any of the quota, then skip the quota option. If any educational institute runs both school & college section, then all the SSC passed students can apply for the same institutes college section.

8. After sending the SMS successfully, applicant will get a SMS reply immediately with the amount of money deducted and a PIN number.

9. If the applicant agrees the amount of deduction money and other information, then confirm your application with a SMS reply,

CAD<space>Yes<space>PIN<space>Contact Number (preferably a mobile number from any mobile operator)

and SEND to 16222.

Example: **CAD Yes 6543 01712345678**

10. One applicant can separately apply for,

- More than one college
- Several groups in same college
- Several shifts in same college

But the applicant will be charged **120 Taka (One Hundred Twenty Taka)** for each SMS application.

11. Applicants can send SMS during the following time schedule,

- **Start Date** & Time of SMS sending: **May 12, 2012**
- **End Date** & Time of SMS sending: **June 6, 2012 11:59 pm**

12. Applicants whom challenged their SSC result and got a revised result, can apply through SMS till June 14, 2012.

13. HSC Admission 2012 Result will be published on **June 17, 2012**. Applicants will get the result through SMS, College notice board and online.
